## **PBSIS SUMMER PLANS!**

Your school wide PBSIS team will be working like busy bees to:

- Complete lesson plans for the instructional event.
- Recruit new members who wish to get involved with the Positive Behavior Support In Schools Program
- Attend training in Functional Behavior Assessments and Behavior Intervention Planning
- Some members will be working on collecting sponsorship to help with our School Wide Recognition System.
- Coordinate the copying for the posters and motto designs that will be present all around the school.
- Review the pre-planning phase of the PBSIS program in order to help facilitate a smooth opening on our kickoff day within the first few weeks of school in September 2007!

Have a safe and happy Summer!

## **The Buzz on the 2007-2008 year at HFMS!**

Your School Wide PBSIS team has had a busy year. We have planned for the Instructional Event in September and have many new posters, reinforcing behavior supplies, we have been using data generated from our office discipline referral form as well as data collected from our surveys to better address the needs that are important to all of you.

We know that change is important. We are all going to need to work together next year to support this program and be patient with ourselves while we begin our School Wide Behavior Support In Schools Program.

We are always seeking new ideas and new faces to join our team. If you want to become involved with the program please let one of the team members know. The more acceptance of the program throughout the myriad of departments within our school the more places we will be able to reach our student and make the difference! Please consider joining our team! Thank you, The PBSIS Team
