

Interval Recording Form

Student: *Randy Williams*

Location/Class: *Science*

Date: *October 5, 2003*

Behavior: *Off-task/Refusing*

Directions: Determine an interval of time (e.g., 10 seconds). Determine if the behavior has to occur (or not occur) for the entire interval or just part of the interval. Record the occurrence (or nonoccurrence) of the target behavior in each of the boxes.

Interval Length: *1 minute*

Whole Interval Recording

Partial Interval Recording:

Activity: *Review yesterdays materials*

Instructor: *Ciazzo*

+	+	-	-	-	-
---	---	---	---	---	---

Activity: *New concept instruction*

Instructor: *Ciazzo*
