

Latency Recording Form

Student: *Randy Williams* Date: *10/5* Class: *Social Studies*

Behavior: *Following directions and Initiating work*

Directions: The numbers represent **either** seconds or minutes, depending on the behavior you are observing. Each column represents an occurrence of behavior. For each second or minute that passes cross off the corresponding number. At the bottom of the table, indicate the activity/setting and the total number of seconds or minutes that passed.

18	18	18	18	18	18	18	18	18	18	18	18	18
17	17	17	17	17	17	17	17	17	17	17	17	17
