**School Wide Positive
Behavior Support is:**

A systematic approach to fostering a
school climate that is respectful and
supportive of students, staff, and
families

SWPBS Can Help Us:

Identify and solve key problems that lead to student problem behaviors

SWPBS Can Help Us:

Establish and communicate clear expectations to our students and one another

SWPBS Can Help Us:

Encourage and motivate students to make good behavioral choices

SWPBS Can Help Us:

Use data to make decisions so that we are more effective and efficient with our resources

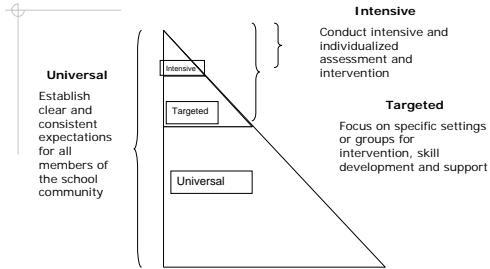

By Implementing SWPBS at Our School We Hope to:

- ◆ List your team's targeted goals/outcomes

How is SWPBS Implemented?

- ◆ *ASSESS* our needs
- ◆ *PLAN* for interventions
- ◆ *IMPLEMENT* the interventions
- ◆ *EVALUATE* how it is going
- ◆ *MODIFY* as needed

What Type of Interventions?

What are the Next Steps?

◆ *Conduct a climate assessment to assess our needs*

- School climate survey for students, parents, and staff
- Set up focus group meetings
- Conduct observations of common locations (e.g., cafeteria)
- Present to you a summary of the assessment data

What are the Next Steps?

◆ *Establish a discipline data management system*

- Revise the referral form and procedures
- Develop the capacity to produce and interpret graphs of discipline problems

What are the Next Steps

◆ *Plan Interventions*

- Establish consistent behavioral expectations
- Design a student recognition system
- Plan an instructional event to teach the expectations
